PRIME LOCAL  
RAISED BEEF

We believe great meals begin with great ingredients. That's why we proudly serve Andreatta beef — raised locally in La Veta by four generations of ranchers who value tradition, care, & quality. Pasture-fed & finished on a carefully balanced grain & corn program, Andreatta cattle produce beef that's richly marbled, exceptionally tender, & full of true Colorado flavor.

This isn't just beef, it's a family legacy. The Andreatta family has been ranching in Southern Colorado for over a century, always choosing quality over shortcuts. No compromises. No corners cut. Just real, honest beef, the way it should be.
