ARTIST VICKY DE TAOS -VICTORIA WALKER-

LET'S GET TO KNOW ARTIST VICKY DE TAOS

I am Folk Artis Vicky de Taos also known as Victoria Walker. I have been interested in the arts since I was a child. My career started in San Luis, Colorado but then continued to Taos, New Mexico. I sculpted clay and worked with mixed media, which included many paintings, I have lived in Prescott, Arizona where

I had my studio. I have also been featured in many galleries along with art shows. The cards that I create are from photos of my art. I hope these cards bring a warm feeling and a smile to all that see them all!
