

LET'S GET TO KNOW DONOVAN'S CREATIONS

Welcome to Donovan's Creations! I am Phyllis Donovan and I moved to Trinidad from New York in the early 70's. I was born and raised in New York and was living in California with four kids when an earthquake hit. We then moved to Trinidad in 1971. I was a bartender in Trinidad for about 30 Years. After about 40 years in Trinidad, I found a lovely house in Aguilar, CO! I have been here for about 10 years. I have crocheted and knitted my whole adult life and then I found diamond painting art on the Internet. This art has become big all around the world. I have created over 20 pictures and I have sold some and given some to friends and family. Lucky at the framing shop in Trinidad does all of my framings & he does a wonderful job!
