

## LET'S GET TO KNOW CACTUS SPURS

Hello everyone and welcome to the Cactus Spur! We are a momma and daughter business that wants to provide adorable, fashionable, and affordable western pieces.

Our products include purses, jewelry, shirts, and many other accessories. During all of the times of filling our online carts way too full of goodies, we thought it would be fun to do a boutique to share the fun things we find. We both have had a passion for the western lifestyle and have always been drawn to cowboy/cowgirl fashion. Ally (daughter) lives on a ranch outside of Gardner, CO with her husband and their two kids (Cassidy and Weston). You can find them on the weekends either shopping, at a rodeo, or tending to the ranch. With constant exposure, these two ladies know what a day to day attire looks like for the working cowboy, but also know the hot trends that are all over social media. Grab your shopping bags and let's go round up some darlin' deals!
